A New Approach to Education. Big ideas will make the world a better place to live. We understand the complexity of interactions among the economy, society, and nature. We train students to translate knowledge into action.

Why should you come to Unity College?
- Unity College is a fully accredited and ranked liberal arts college focused on the environment.
- We educate 21st century environmental leaders using sustainability science as our framework for learning and research.
- The transdisciplinary curriculum merges humanities with environmental science, social science with economics, and knowledge with practice.

Grow personally and professionally.
- Our writing center will help you improve and develop your communication skills so you can communicate the English language persuasively and effectively.
- Dedicated, outdoor-loving faculty will support you. At Unity, students receive individual attention.
- All areas of study blend hands-on learning and academic rigor, field experience, and service learning.

Quick facts about Unity College and Maine:
- Founded in 1965
- 600 students and 40 faculty
- 16 environmentally-focused majors
- Average class size of just 18
- Weekly labs, class-based projects, and field research
- Nearly 70% of students live on campus.
- Unity College is ideally located for students interested in studying the environment.
- Maine is known as “Vacationland” and has four distinct seasons.
- With 17 million acres of forest, 6,000 lakes and ponds, and 3,500 miles of coastline, there are endless opportunities for year-round outdoor recreation including skiing, snowboarding, hiking, cycling, rafting, kayaking, and fishing.
- Maine is one of the safest states in the U.S. (According to a recent study by the Institute for Economics and Peace)
- Unity is located 45 minutes south of Bangor and 90 minutes north of Portland

Drive time to popular destinations
- Boston: 3.5 hours
