

## ADVENTURE EDUCATION

Following is some general information about resources and tools to assist researchers in the field Adventure Education. This is just a sampling of what the Quimby Library has in its collection.

### FINDING BOOKS

The library's holdings are best accessed through Minerva, our online catalog. This system can be searched by author, title, subject heading, or key word. Help in using the system is available online and at the reference/circulation desk. The library catalog [<http://minerva.maine.edu/search~S96>] can be accessed from the library as well as your home or office via the internet.

The library holdings are arranged by the Library of Congress classification system and uses Library of Congress subject headings. Examples of possible subjects include:

**Adventure education; Adventure games; Authorship; Educational innovations; Environmental Education; Experiential learning; Games; Group games; Leadership; Leisure; Outdoor Education; Outdoor Recreation; Parks; Physical education and training; Recreation; Recreation leadership; Report writing; Survival skills; Wilderness; Wilderness Areas – Recreational Use; Wilderness survival**
