

## CAPTIVE WILDLIFE CARE AND EDUCATION

Following is some general information about resources and tools to assist researchers in the field of Captive wildlife care and education. This list is just a sampling of what the Quimby Library has in its collection.

### FINDING BOOKS

The library's holdings are best accessed through Minerva, our online catalog. This system can be searched by author, title, subject heading, or key word. Help in using the system is available online and at the reference/circulation desk. The library catalog [<http://minerva.maine.edu/search~S96>] can be accessed from the library as well as your home or office via the internet.

The library holdings are arranged by the Library of Congress Classification system and uses Library of Congress subject headings. Examples of possible subjects include:

**Animal behavior; Animal communication; Animal husbandry; Animal intelligence; Animal rescue; Animal rights; Animal trainers; Animal training; Animal welfare; Animals – physiology; Animals, training of; Animals, wild; Animals, zoo; Aquariums, public; Biology – Authorship; Birds – behavior; Birds – rehabilitation; Birds of prey; Captive mammals; Captive wild animals – feeding and feeds; Emotions in animals; Environmental education; Environmental enrichment (Animal culture) Exotic animals; First aid for animals; First aid – veterinary; Game and game birds; Human-animal relationships; Interpretation of cultural and natural resources; Mammals – behavior; Mammals – classification; Mammals – anatomy; Mammals – physiology; Marine mammals; Oil spills and wildlife; Operant conditioning; Perception in animals; Report writing; Social behavior in animals; Technical writing; Veterinary anatomy; Veterinary medicine; Wildlife conservation; Wildlife diseases; Wildlife refuges; Wildlife rehabilitation; Wildlife rehabilitators; Wildlife reintroduction; Wildlife rescue; Zoo animals; Zoos; Zoos -- Philosophy**
