

ENVIRONMENTAL POLICY

Following is some general information about resources and tools to assist researchers in the field of Environmental Policy. This list is just a sampling of what the Quimby Library has in its collection.

FINDING BOOKS

The library's holdings are best accessed through Minerva, our online catalog. This system can be searched by author, title, subject heading, or key word. Help in using the system is available online and at the reference/circulation desk. The library catalog [<http://minerva.maine.edu/search~S96>] can be accessed from the library as well as your home or office via the internet.

The library holdings are arranged by the Library of Congress Classification system and uses Library of Congress subject headings. Examples of possible subjects include:

Agriculture and state; Conservation of natural resources; Democracy; Energy policy; Environmental ethics; Environmental justice; Environmental law; Environmental policy; Environmental policy – Citizen participation; Environmental protection; Food supply – Government policy; Environmentalism; Forest policy; Hazardous substances; Land use; Life sciences – Authorship; Marine resources – Government policy; Natural resources – Government policy; Nature conservation – Government policy; Proposal writing for grants; Recycling (Waste, etc.); Report writing; State governments; Technical writing; Wildlife conservation – Government policy; Wildlife management – Government policy;
