

Verifying Class Rosters:

Official class rosters are available on the Wednesday following our add/drop period. Class rosters must be verified at the next class meeting time. Discrepancies in students attending on the roster need to be reported to the Registrar's Office.

Students not listed on your Rosters must be sent to the Registrar's Office immediately – they should not be permitted to attend the class. If they are not on the official roster then they are not registered for your class.

Students not attending the class, who are listed on the roster, must be reported to the Registrar's Office immediately.
