6:00 p.m.

Senior Banquet, *Unity College Gymnasium.*

## **Saturday, May 8**

1:00 p.m.

Commencement, *Unity College Gymnasium.* Light Reception following.

# How do you march into the gym?

The following directions replace the marching rehearsal. If you have questions, please contact Kate Grenier at ext. 301 or at [kgrenier@unity.edu](mailto:kgrenier@unity.edu)

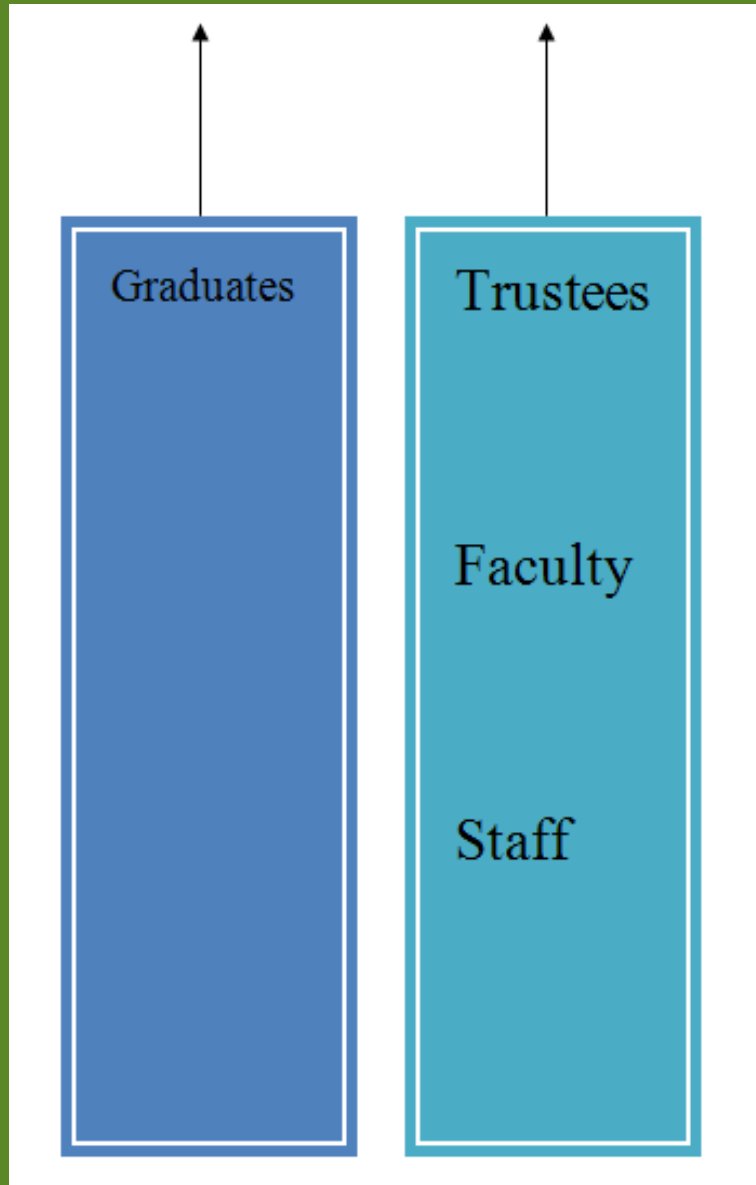

You are to report to the Coops  
Courtyard no later than 12:20pm

Please have on your graduation attire (gown, hat, and tassel)

Two columns should be formed: one for seniors and one for trustees, faculty, and staff. Seniors will have the faculty and staff on their right.

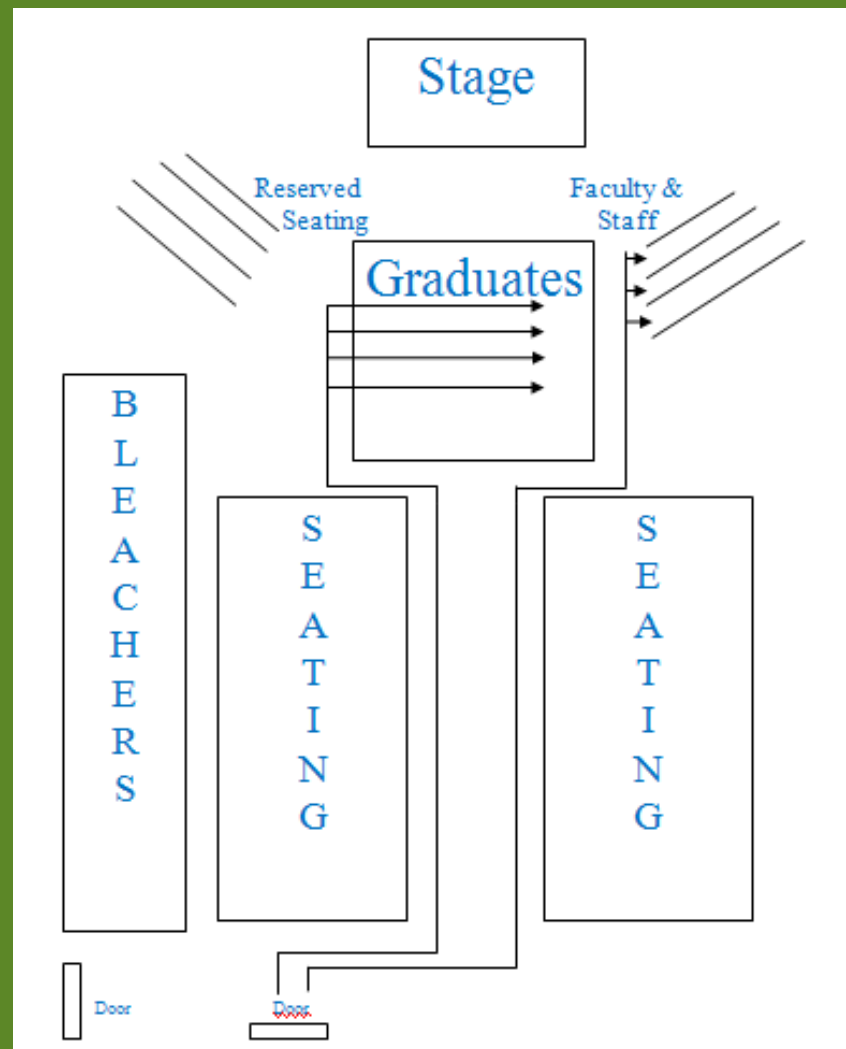

The two columns line up as shown in the diagram. Seniors should line up alphabetically by degree. A list will be sent via email several days prior commencement.

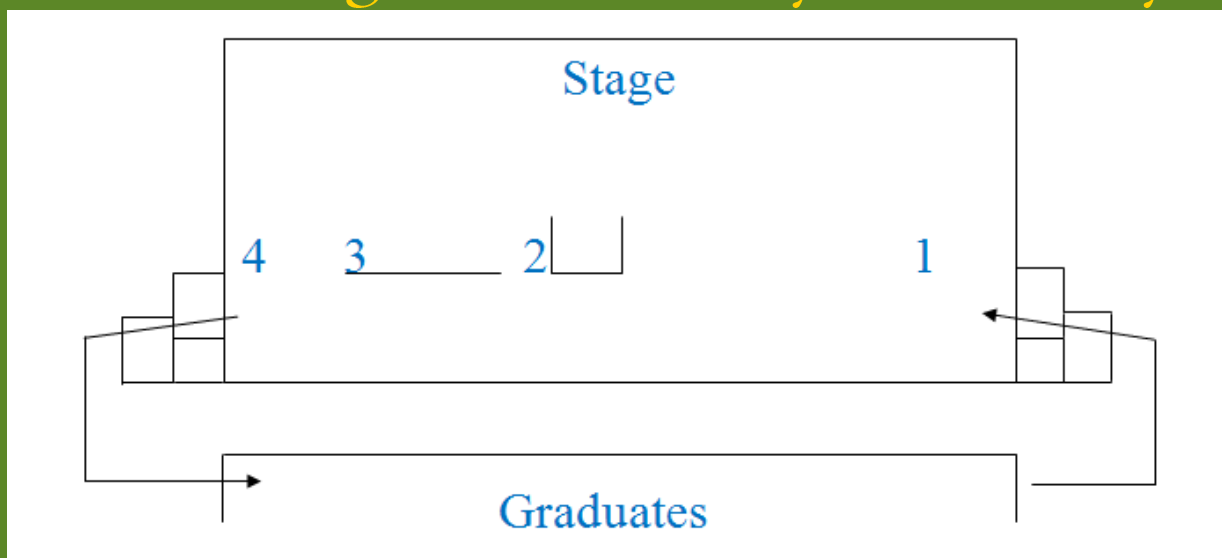

At 12:55pm you will be lead up  
Murdock Drive to the gym

# Marching direction into the gym

## What to do during the ceremony when it's your turn:

- 1) The entire row stands at the same time and lines up by the stairs.
- 2) When your name is called proceed to #1 on the map. Here you will shake hands with the person standing there.
- 3) Proceed to #2 where our president will shake your hand and will give you your diploma.
- 4) At #3 you will receive a sapling from a staff employee.
- 5) At #4 you will pause for photos, receive your grad gift and return to your seat.

What about my friends and family?

Guests can park in the parking lot beside the Activities building and other designated areas and can walk to the gym. If walking is a concern, drop off points at the gym are available.

What if it rains??

You should report to the Student Center  
instead of the Café/Coop Courtyard.  
Marching in the gym and on stage will be  
the same.

# Key Things to Remember

- **TURN OFF YOUR CELL PHONES** during the ceremony
- Establish your meeting place with friends and family **BEFORE** the ceremony
- Remember to arrive early so if problems arise they can be taken care of
- Contact Kate Grenier at 207.948.3131 ext. 301 with any questions.

**CONGRATULATIONS**  
**Class of 2010!**
