

## Stewardship Crew

Maine Coast Heritage Trust (MCHT) is looking for three crew members who will work with a leader on many of the Trust's 70 mainland and island preserves over the summer months. Work will include trail clearing, trail improvement, boundary marking, painting structures, basic carpentry, and vegetation control. The crew will move frequently, although will occasionally work on the same site for more than one week. Accommodations for the crew will vary, depending on location. There will be cabins at some sites, other sites will require camping. Days will be long and days off will be clustered. Some basic gear will be provided. Send resume and letter of interest by March 2, 2012 to Peg Adams, Maine Coast Heritage Trust, One Bowdoin Mill Island, Suite 201, Topsham, Maine 04086 or to [padams@mcht.org](mailto:padams@mcht.org).
