

Alaska Geographic

Branch Manager

Alaska Geographic seeks a Branch Manager for its Denali National Park and Preserve retail operations. The position work site is physically located within the park and requires residency in the immediate area from April through September. Alaska Geographic is a not-for-profit organization, which works in cooperation with federal and state land management agencies to provide educational and interpretive materials and services to visitors of public lands. Funds generated from these activities are used to support education and research programs and projects throughout the state of Alaska.
