

Beech Hill Preserve Intern Wanted:

Coastal Mountains Land Trust is seeking an intern to assist with the operation of the Beech Hill Preserve which is a multi-faceted conservation stewardship project. The primary focus of the position will be to support the organic blueberry farm and the completion of the annual blueberry harvest.

The position runs 40 hours/week from Mid June – mid August. The Land Trust will provide \$2,700 in compensation for the 9 week internship. Housing may be available for an intern who is not from the area. Though not guaranteed, the Land Trust will make every effort to find a suitable housing arrangement for qualified candidates. However, the housing is off-site of both the Preserve and the office. The intern will need to travel between Beech Hill Preserve and the office during the work day. Therefore, s/he must provide reliable transportation with a valid drivers license and proof of insurance.

TO APPLY: For a more complete job description of the position see our website, www.coastalmountains.org. Send a resume, cover letter including how you think this internship will help you realize your career goals, and 3 references to Coastal Mountains Land Trust 101 Mt. Battie St., Camden ME 04843, or email to info@coastalmountains.org.

HIRING: Position is open until filled.
