Job Number: 28178 (Classification: Internships)

Title: Habitat Management Internship

Agency: Sanibel Captiva Conservation Foundation

Location: Sanibel, FL

Job Description: The Wildlife Habitat Management Program of the Sanibel Captiva Conservation Foundation is seeking an intern to assist with the habitat restoration and land management of conservation lands on Sanibel Island in Florida. Duties will include but are not limited to the removal & spraying of exotic vegetation, planting native vegetation, and trail creation and maintenance. This is an opportunity to gain experience in habitat restoration and ecology.

Preference will be given to applicants who can start as soon as possible.

Qualifications: Degree or progress toward a degree in natural resources, biology, or related field required. Applicants MUST be able and willing to work outdoors in heat and humidity, have a tolerance for biting insects and noxious vegetation, and be able to lift 50 lbs.

If interested, please send a resume, cover letter, and three references in Microsoft Word or PDF format to Chris Lechowicz at clechowicz@sccf.org.

Salary: \$200/wk plus housing

Last Date to apply: December 20, 2011
