

**Organization:** Philadelphia Zoo (AZA Member)

**Location:** Philadelphia, PA, Country

**Job or Internship:** Job

The Philadelphia Zoo is currently seeking qualified applicants for Open Relief Keeper position. The position requires excellent husbandry abilities, active participation in training and enrichment and exceptional customer service skills, including interest and proficiency in public speaking.

The Open Relief Keeper is responsible for all aspects of daily animal care, including but not limited to cleaning, feeding, inspecting/observing specimens, maintaining exhibits, implementing veterinary, nutrition and enrichment programs, and record-keeping. Researches and stays current on knowledge about collection, Zoo policies and procedures, and facilities.

The qualified candidate will have a minimum of one years experience with exotic animals in an AZA-accredited zoological park or equivalent. A bachelor's degree in one of the life sciences or other applicable field is strongly preferred. Candidates must have demonstrated knowledge of the exhibition and husbandry of exotic animals as well as knowledge around the hazards of working with zoo specimens and appropriate safety precautions.

The successful candidate will demonstrate the ability to develop and maintain effective and productive working relationships.
