## Group Gear List

### *Base camp*

**Don't forget to consider the number of cook groups when portioning out the cook gear.**

- A combination of 2, 3, and 4-person tents to shelter participants (don't forget your shelter!)
  - **All tents should be set up prior to leaving.**
- Quart cooking pots w/lids and pot grips
- Frying pans (we can feel free to take fry bakes for ourselves)
- Set of utensils/cook group (spoon, spatula, ladle, dippy cup and pot grippers)
- Strainer for gray water
- Propane Fuel or Propane Tank (Burns differently than white gas. Consider bringing a little more than you think you might need, however if you do run out, propane is commonly available in gas stations and food stores)
- Stoves - Coleman or Camp Chef stoves w/repair kit and scrubby or
  - **All stoves should be checked/lit prior to going out in the field and any repairs/cleaning should be done in advance**
- 2 Lighters
- 1 LNT Kit (Hand sanitizer, trowel, and TP)
- 1 Med Kit
- Epi-pen's
- Water purification – One 2 oz. bottle of iodine/participant
- 1 expedition rope (for games and jump rope...)
- Kitchen tarp
- 1 repair kit
- Dromedary bags (bag o' water)
- Enough duffle bags to contain all of your food
- Maps for desired trip area (and your compass)
- Paperwork (ie – trip specific info, med forms, etc.)
- Frisbees, water toys, etc.
- Personal equipment for all your participants
