WHAT ARE EMPLOYERS SAYING ABOUT UNITY COLLEGE INTERNS?

"I APPRECIATE UNITY COLLEGE’S STUDENT INTERNSHIP PROGRAM. SEVERAL STUDENTS APPLIED FOR OUR POSITIONS AND THEY WERE ALL EXCEPTIONALLY WELL-EDUCATED AND QUALIFIED."

MITCH SIMPSON, MAINE DEPARTMENT OF MARINE RESOURCES

At Unity College, internships are tightly woven into the curricula of our majors
- Over 100 students participate in an internship experience in their field of study every year.
- Students make important contributions to a wide range of companies and organizations all across the U.S., and even abroad.
- Unity College students are learning high-level skills in interpersonal communication, the scientific method, safety protocols, data collection, and the use of a variety of technologies, tools and equipment.

The Unity College student is discerning, resourceful, intelligent, caring, intrepid, collaborative, adaptable, and very hard working!
